

Stellantis COVID-19 Protocol Statement

Consistent with UAW President Gamble's statement following the June 8th meeting with the COVID-19 Joint Task Force, which is comprised of the UAW, Ford, General Motors and Stellantis, have agreed to continue most COVID-19 workplace protocols out of an abundance of caution.

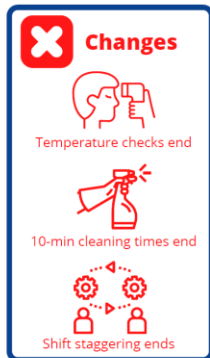

At UAW represented Stellantis Facilities, beginning on Monday, June 21, 2021, there will be the following new protocols in place, more detailed information will be internally communicated at your individual facility.

By entering this facility
I certify that:

WHAT STAYS THE SAME

WHAT CHANGES

WHAT STAYS THE SAME

1. **Face masks and safety glasses are still required.**
These continue to be one of the best layers of defense against Covid-19.
2. **Return to Work App for entry**

WHAT CHANGES

1. Thermal camera temperature checks upon entry end.
2. Self-certify with the Return to Work App.
3. 10 minute dedicated cleaning ends. Common touch point cleaning frequencies adjusted.
4. Enhanced cleaning will only take place if employee has been on-site within 24 hours of positive test results.
5. Staggering of shifts ends.

WHY THE CHANGES?

These changes align with the updated CDC guidance.
